

Mellon Forum

Research on the Urban Environment

In Fall 2016, the Mellon Forum for Research on the Urban Environment will focus on **The Nature of Cities**, bringing together scholars to explore the complex and overlapping landscapes and ecosystems found in the urban built environment. All events are free and open to the public.

Schedule

4:30pm | Tues. Sep 13 | Meet the Princeton-Mellon Fellows Reception

School of Architecture, North Gallery

Meet the incoming cohort of Princeton-Mellon Fellows and learn about the Princeton-Mellon Initiative's upcoming fall programs. Light refreshments will be served.
