

Fridays at Noon  
School of Architecture, Room 107  
Lunch will be provided

## Urban Studies Spring Research Seminar

Interested in Urban Studies? Would you like to interact with Princeton faculty researching cities, and meet students with similar interests? Need to find a JP or thesis advisor?

Each Friday at noon, faculty and students from across campus will engage in a dynamic dialog about urban research.

This "course" is not for credit. Please attend as many meetings as you can. A for-credit Urban Studies Research Seminar will debut in Spring 2016.

S2015

### Schedule of Sessions:
